

Alstonville Community Preschool

Together we can

FAMILY NEWSLETTER April/May – Week 1 Term 2

Mother's Day breakfasts will be held each morning in the week after Mother's Day from 8.30-9.30 am

Stay for a little while at drop off, while your children 'make' you some special breakfast to celebrate our Mums!

MT group – Monday 9th May

TW group – Tuesday 10th May

Gumnuts – Wednesday 11th May

ThF Treefrog – Thursday 12th May

Th F Lilli Pilli – Friday 13th May

StEPS Vision Screening is next week. Make sure to pick up an envelope to complete before the day.

This screening is for 4 year olds and children in their year before school, who have not previously been tested.

Tuesday 3rd May – Mon/Tues group

Wed 4th May – Tues/Wed and Gumnuts

Thurs 5th May – both Thursday Friday groups.

PICTURE PLATES are happening again in May.

These are a great way to preserve your child's artwork. See the sample in the office.

Drawing papers available week after next.

Cost per plate is \$30

ALSTONVILLE COMMUNITY PRESCHOOL ANNUAL GENERAL MEETING

will now be held on:

Wednesday 11th May

7.00pm – 7.30pm

followed by drinks

at The Federal Hotel, Alstonville.

All preschool parents welcome to attend

Let us know if you will be attending at the sheet at the sign in desk.

CURRENT COVID INFORMATION

MASKS will continue to be required in preschool for all adults, including parents and family members who are coming into the preschool for drop off or pick up.

Staff will also continue to wear masks throughout the day in the indoor/deck areas.

Please be alert for symptoms in your children, and keep them at home from preschool if unwell, particularly if they have Covid like symptoms. Children will be sent home if they are unwell during the day, ie have a continual runny nose, persistent coughing, or raised temperature.

If anyone in your house has a positive Covid result, both you and your children are considered close contacts and are not able to attend preschool for 7 days from the date of the positive test. This practice will continue to help us ensure we have enough available staff to remain open each day, at a time when Covid numbers are quite high in our area.

A reminder:

- Please do not come into preschool to drop off/pick up if you are unwell yourself
- Please remember to let the preschool know if your child is away due to illness, and particularly if they are away with Covid like symptoms at info@alstonvillepreschool.com.au or by phone.
