**Have a safe and happy break everyone!**

Do you have excess fruit, veggies or other produce to share with other families on our preschool Fruit and Veggie Stand?

**We'd love you to bring it in!**

### MAINTENANCE PERSON REQUIRED

We need a **Maintenance person** at preschool for half a day once a month or so, to help us keep on top of all the little jobs that need doing around preschool.

If you know anyone who has some spare time and preferably an ABN, let us know.

### Current COVID INFORMATION

Please be alert for symptoms in your children, and keep them at home from preschool if unwell at all and especially with Covid like symptoms.

**MASKS will still be required in preschool for all adults, including parents and family members who are doing drop off or pick up.**

**Staff will also continue to wear masks throughout the day in the indoor/deck areas.**

A reminder:

- Please do not come into preschool to drop off/pick up if you are unwell
- Please remember to let the preschool know if your child is away due to illness, and particularly if they are away with Covid like symptoms at [info@alstonvillepreschool.com.au](mailto:info@alstonvillepreschool.com.au) or by phone.

It is also important that we know if anyone in your family has tested positive to Covid 19. If this is the case your preschool child will be required to isolate for 7 days and not attend preschool from the time of the family members' diagnosis.
